

Position Description

Job Title: **Women's Development Coordinator**

Reports to: Development Manager

Contract: Permanent, full time

Qualification: Cricket Coaching Level 1 with experience in coaching and coordinating and managing cricket development. Engagement in women's cricket will be an advantage.

Vacancy Ends: 30 December 2021

Overview:

As we endeavor to re-start Junior/YDP cricket and especially girls/women cricket, one of the main challenges are the lack of a full-time staff to co-ordinate the programme and undertake training. While we have a number of part-time coaches, it is essential that there is a CBM permanent staff who can work with the Development Manager to deliver the women's and junior cricket programme.

Due to several challenges and past experience, it is very important to have a woman leading the women's development efforts, including coaching at a grass roots and junior level as well as co-ordinating the women's development programme with the Development Manager and future high performance coach.

The Women's and Junior Development Officer will be responsible for widening the programme and engaging female cricketers to both enjoy and excel in the sport. She will work towards increasing male, and particularly female participation at all levels.

Roles & Responsibilities

Girls/ Women's cricket:

- Deliver girls/women cricket in schools, ensuring there is a clear link between development pathways
- Establish/grow female inter-house, inter-school and club hardball competitions
- Deliver women's cricket for all activities to attract more females and help players from other sports to transition into the game.
- Create more inclusive opportunities for women to take up/take part in the sport.
- Work closely with Women's National Squad coaching team
- Collaborate to design/deliver community cricket sessions.
- Lead coach for the women/junior YDP.

Junior/YDP Coaching:

- Coordinator for grassroots/junior development programme
- Deliver sessions in targeted primary and secondary schools
