Approval for Hosting Cricket Tournaments and Events and booking cricket grounds in Male' and Fuvahmulah by CBM Member Clubs and other entities.

In order to ensure the integrity of the game of cricket and to streamline the booking of cricket ground for tournament and other cricket events, the following procedure must be followed by all CBM members and entities wishing to host such events.

1. All cricket Tournaments and Events organized by CBM members and other entities must be approved by the Cricket Board of Maldives and only "approved events" can be hosted in the Ekuveni cricket ground and Fuvahmulah cricket ground. This applies to single, one-off matches as well.
2. Cricket grounds have to be booked through CBM for any cricket tournament or event using the prescribed form at least two weeks prior. Ground will be allocated on an availability basis.
3. Once the application is received, CBM will verify and sanction the tournament/event as "approved event". Confirmation for the use of the ground will be given only after all applicable fees have been paid in full. In case of cancellation booking fees can be refunded two days before of an event. In case of rescheduling or postponement, new dates must be requested accordingly.
4. For each tournament and event, organisers must provide full details, including ID card / passport copy (including visa page for foreigners) of the responsible person for the tournament/event. This person will be held liable for all matters relating to and issues arising with regard to the holding of the tournament/event.
5. All the participants of the tournament/event including officials shall adhere to the ICC anti-corruption, anti-doping, ethics and safeguarding codes and others prescribed to protect the integrity of the game and the relevant Codes of Conduct of the Cricket Board of Maldives.

6. Tournament/Event organisers must provide CBM match scoresheets and a report within 7 days of completion of the tournament/event. It is recommended that all organisers use CBM app to score their matches. Applications by organisers who fail to do so will not be considered for future approvals.
7. The use of proper cricket attire and equipment, including playing jerseys, must be ensured by organisers. No player will be allowed to play in a CBM approved tournament/event in shorts or without proper footwear.
8. All approved tournament/events must use CBM logo or logo provided by CBM in all promotional materials, events and tournament signage and backdrops.
